

Preliminary Amendment  
U.S. Appln. No. 09/894,827

**REMARKS**

This Preliminary Amendment corrects minor typographical errors in the specification. Entry and consideration of this Preliminary Amendment is respectfully requested.

Also filed concurrently herewith is an executed Declaration and Power of Attorney. MPEP §601.01(a) states that if the Declaration has the same title as the earlier filed specification and if the Declaration is accompanied by a cover letter accurately identifying the application for which it is intended, the Declaration will be acceptable. The cover letter entitled "Submission of Executed Declaration," accompanying the Declaration, accurately identifies the application for which the Declaration is intended. Further, the Declaration has the same title as the earlier filed specification. Therefore, Applicants respectfully request entry of the Declaration and Power of Attorney.

Respectfully submitted,
